1. Introduction

We believe that regular school attendance is central to raising standards in education and to improving the life chances of all children. Regular attendance at school enables children to gain maximum benefit from the range of educational and wider opportunities available to them. This Policy sets out the framework for how the council, parents, carers, local schools (including academies, free schools, independent schools and alternative provision establishments), governors, and partner services can work together to help all children within Wirral to achieve the highest possible levels of attendance.

Schools and Local Authorities are expected to work together to:

- *Promote good attendance and reduce absence, including persistent absence;*
- *Ensure every pupil has access to the appropriate full-time education to which they are entitled; and*
- *Act early to address patterns of absence*

1.1 Regular School Attendance

The need for **regular school attendance** is given a high priority by all Wirral schools.

The Supreme Court ruled in April 2017 (Platt v Isle of Wight) that **regular** attendance is '**in accordance with the rules prescribed by the school**'. In Wirral Schools, this is interpreted as **every day that the school requires a child to attend, unless the absence has been approved by the Headteacher**.

Unsurprisingly, children who are absent from school or who are persistently late, can soon fall behind with their learning. Research conducted by the Department for Education (DfE 2016) confirmed that, as the level of overall pupil absence increases, the likelihood of pupils achieving what they are capable of decreases.

Parents of children of compulsory school age are, by law, required to ensure that their children receive a suitable education through regular attendance at school or otherwise.

1.2 Definition of 'Parent'

For the purposes of this policy and other education related issues, a **parent** is defined under section 576 of the Education Act 1996:

- all natural parents, whether they are married or not;
- any person who, although not a natural parent, has parental responsibility (as defined in the Children Act 1989) for a child or young person;
- any person who, although not a natural parent, has care of a child or young person.

Having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of their relationship with the child, is considered to be a parent in education law.

1.3 Attendance in Early Years

Children must start full-time education once they reach compulsory school age. This is on 31 December, 31 March, or 31 August following their fifth birthday - whichever comes first. If a child's fifth birthday is on one of those dates, then they reach compulsory school age on that date.

Absence data in respect of four and five year olds who are not of compulsory school age is collected and reported upon separately at national level. Data relates only to an overall absence percentage, as children not of compulsory school age cannot technically accrue unauthorised absence. However, it is established good practice for schools to use nationally prescribed registration codes for all sessions that a non-compulsory school aged child is required to attend, as to do so will help staff to monitor attendance and to be alert to any emerging patterns of absence that may be an indicator of wider concern. There should be high expectations in place for this cohort of children in terms of attendance, so that good habits are established from the outset of a child's school career.

2. Expectations to ensure delivery of this Policy across all Wirral Schools

2.1 Responsibilities & Expectations of Parents and Carers:

- ✓ To ensure that their child attends school every day that the school is open, unless there is a genuine and unavoidable reason that prevents them from so doing;
- ✓ To ensure that their child arrives at school on time (*8:50am*). A reason should be offered for any lateness;
- ✓ To inform school as soon as possible, by phone, email or in person, if their child is unable to attend on any day, together with the reason for absence. (**Phone:** 0151 334 1432)
- ✓ **Email:** *schooloffice@mendell.wirral.sch.uk*
- ✓ To trust that school staff will contact them during the school day if a child is ill in school and needs to go home;
- ✓ To ensure that school has at least two sets of full contact details, and that these are kept updated;
- ✓ To make all medical appointments outside school hours whenever possible, and to inform school in advance of any medical appointments that cannot be scheduled out of school time. For absence to be authorised as a medical absence, schools do require evidence, such as an appointment card or letter;
- ✓ In the case of a primary school child, to ensure that their child is collected on time at the end of the school day; (*3:20pm*).
- ✓ To take family holidays during school holiday periods and to be aware that there is no entitlement to withdraw children for authorised leave of absence during term time. Any requests for leave of absence during term time should be made in writing at least 2 school weeks in advance to the Head Teacher; (*form available from school office*)
- ✓ To be aware of curriculum requirements and to be especially vigilant with regards to attendance during particularly important times such as SATs, GCSEs, and other exam periods and the months preceding these;
- ✓ To provide evidence and advice from a health professional when needed to enable school to gain a greater understanding of their child's health issues;
- ✓ To talk to school staff as soon as possible should their child be reluctant to come to school for any reason, or if there are any other issues impacting on school attendance. This is so that any problems can be quickly identified and overcome. In most cases the first point of contact should be the child's class teacher or the Attendance Officer.

Absence Procedures:

- ✓ It is important that parents / carers keep in touch with school about all absences. This information is used to help determine whether children's absence is recorded in the register as authorised or unauthorised. The Head Teacher has the ultimate authority to determine whether absences are authorised or unauthorised. If parents do not communicate with school and staff are unable to establish contact, the absence will be recorded as unauthorised.

2.2 Medical Evidence:

The most common reason for children being persistently absent from school is illness. When pupils are having repeat absences due to reported illness, schools may need more evidence and advice to help decide whether or not the absence should be authorised and to see whether any additional support is required. Children can be reluctant to attend school from time to time, or there may be other issues affecting attendance. It is never advisable for parents to 'cover' for their absence or to give-in to pressure to excuse them from attending. Covering up gives the impression that attendance does not matter, and usually makes things worse. It is always better to get in touch with school, to share concerns, and to plan a way forward.

Schools can accept the following as medical evidence:

- ✓ GP certificate
- ✓ Letter from health professional
- ✓ Appointment card / letter (dated)
- ✓ Prescription / Medication in the name of the child
- ✓ Text message from GP or NHS confirming an appointment
- ✓ Dentist appointment card
- ✓ Care of the chemist – date stamped slip to show medical advice has been sought

See Appendix 3 for advice in relation to required absence periods for identified health issues.

In situations where a child's attendance record is of concern, usual practice would be for parents / carers to be invited into school to meet with a member of staff. This provides an opportunity for concerns from both home and school to be shared, and for an agreed plan of action to be put in place to address any identified difficulties.

Please remember that parents and carers are encouraged to contact school at an early point should they have any concerns that are impacting on their child's school attendance.

We acknowledge that children are at a higher risk of missing school if they have issues around their emotional wellbeing and mental health. This can then lead to further problems in terms of children falling behind with work and feeling socially isolated. It is particularly important in these circumstances that parents / carers work together with school to ensure that appropriate help and support is offered to respond to concerns as they arise. Early Help means taking action to support a child, young person, or/and their family as soon as a problem emerges. School may also seek advice about sources of help and support from the Authority's Vulnerable Children's Panel (VCP) in cases where concerns about a child's unauthorised absence are ongoing. Parents may also wish to use Family Toolbox <https://familytoolbox.co.uk/> to identify possible sources of support or encourage their child to access Zillo <https://www.zillowirral.co.uk/>

2.3 Responsibilities of School:

- ✓ To demonstrate a strong and inclusive whole school attendance ethos that helps pupils feel that they 'belong';
- ✓ To promote the importance of good attendance to pupils and parents and carers at every opportunity (via newsletters, assemblies and any other communications between school and home);
- ✓ To establish effective procedures that enable staff to record, identify, and address concerns around overall pupil absence;
- ✓ To consistently record authorised and unauthorised absences using the correct DfE prescribed registration code (see Appendix 1). This duty also extends to ensuring that N coded absences are resolved in a timely manner (within 2 weeks). Parents should be made aware that if school cannot establish an acceptable reason for their child's absence after 2 weeks, the missed sessions will be recorded as unauthorised absence;
- ✓ To have sensitive support systems in place for vulnerable pupils which recognise the complexity of children's lives and family circumstances;
- ✓ To inform the local authority of any part-time or flexible education arrangements in place for individual pupils, together with plans for tracking and review (See Appendix 4);
- ✓ To identify a senior leader who has overall responsibility for attendance and who is also responsible for the achievement and wellbeing of all children who are on the school roll, but not accessing education in the usual way, such as those pupils in alternative provision placements. The senior leader responsible for attendance is Mrs O'Neill Edwards and she can be contacted via the school office.
- ✓ To encourage open communication channels and partnership working between home and school to improve attendance and punctuality. This will include meetings with parents and carers in school, where any support needs can be identified and addressed, together with the joint formulation of realistic plans for improving individual pupils' attendance;
- ✓ To develop procedures for the reintegration of long term absentees. In addition school must have plans in place to support each persistently absent pupil and each severely persistently absent pupil;
- ✓ To have support plans in place to ease pupils' transition between each phase of education when there is a change of school, with particular reference to the needs of more vulnerable children;
- ✓ To seek advice from the Authority's Designated Locality Attendance Officer (LAO) both in respect of the management of whole school attendance matters and of individual children whose attendance gives cause concern;
- ✓ To have a clear understanding of the roles and responsibilities of the school and other support agencies in relation to the provision of additional support for pupils whose attendance difficulties are symptomatic of wider family issues or / and indicative of safeguarding concerns where a multi-agency response is required seeking advice from the allocated Early Help worker as and when needed;
- ✓ To refer children into the Authority's Vulnerable Children's Panel for advice and support in situations where parents are reluctant to engage voluntarily with early help, and concerns about unauthorised absence are ongoing. Parents and carers should be made aware that this will be the case;
- ✓ To engage in partnership working with the Authority's Attendance Service to ensure appropriate use of legal sanctions in order to reinforce parental responsibility for securing regular attendance;
- ✓ To analyse and evaluate a range of accurate attendance data to improve individual pupil and whole school performance and to identify any vulnerable groups of pupils whose attendance is below what we expect. There should be robust tracking procedures in place with respect to the attendance of pupils with special educational needs and disabilities, children in receipt of Pupil Premium and children who are Looked After by the Authority or have an allocated Social Worker;
- ✓ To incentivise, reward and celebrate good and improved attendance on an individual, group, and whole school level – creating a positive culture in which good and improved attendance is highly

- valued. School can encourage ownership of their attendance reward schemes by seeking and acting on pupils' views in this respect;
- ✓ To provide governors with sufficient data and information about pupils who are not attending regularly or accessing education in the usual way, so that they can evaluate and challenge the effectiveness of school's arrangements;
 - ✓ To refer children who are, (or who are at risk of becoming,) Children Missing from Education (CME) to the Local Authority in accordance with Wirral Policy;
 - ✓ To notify the Local Authority of any child whose name is deleted from roll at parental request in order to pursue elective home education.

2.4 Expectations of School Staff:

First Day Contact

Parents should be encouraged to contact school on each morning that their child is absent. If a child is absent and no contact from parent has been received by school:

- ✓ School will telephone parents and carers to ascertain a reason for absence in accordance with 'first day contact' procedures.
- ✓ School may also telephone any other persons on the pupil's contact list if they are unable to make contact with the parent.
- ✓ Home welfare visits may also be undertaken in connection with concerns around a child's absence (particularly when parents do not respond to requests for contact from school staff).
- ✓ Priority tracking should take place where safeguarding is a known issue. School's Designated Safeguarding Lead / Children Looked After Lead, Mrs O'Neill Edwards, should be alerted should there be any concerns in respect of the absence of children subject to Child in Need arrangements or Child Protection Plans, or children Looked After by the Local Authority.
- ✓ In some cases, where a home visit has been conducted and no answer is received from the home during the visit it is the school's responsibility to request a welfare check from the police.

The Attendance Officer is responsible for:

- ✓ Liaising with the Local Authority
- ✓ Collating and recording registration and attendance information.
- ✓ Taking and recording messages from parents regarding absence.
- ✓ Making first day response calls to parents of absent children where no contact has been received.
- ✓ Informing the Attendance Lead / Designated Safeguarding Lead of any cases where the explanation for absence gives potential cause for concern and where additional support or intervention may be required.
- ✓ Recording details of children who arrive late and tracking/supporting an improvement in punctuality.
- ✓ Sending out letters and emails to parents regarding attendance concerns.
- ✓ Administration work around school Attendance Panels (which can also involve the Authority's Locality Attendance Officer).
- ✓ Reporting daily and weekly attendance figures.
- ✓ Keeping an overview of whole school, class, and individual attendance rates, looking particularly at overall absence, levels of unauthorised absence, and patterns of absence.
- ✓ Analysing attendance for different groups of children e.g PP, LAC, SEN etc.
- ✓ Submitting Fixed Penalty Notices.
- ✓ Liaising with external agencies when necessary such as school advisory service, Caritas etc.

Link with Safeguarding / Education Neglect

- ✓ Safeguarding and promoting the welfare of children is everyone's responsibility.
- ✓ Safeguarding and promoting the welfare of children is defined as: protecting children from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.
- ✓ Schools have a key role in ensuring children and young people are kept safe. School staff are particularly important as they are in a position to identify concerns early, provide help for children, and prevent concerns from escalating.
- ✓ Every school has a designated safeguarding lead who will provide support to staff members to carry out their safeguarding duties and can liaise closely with other services such as children's social care and early help services. Mendell Primary has 3, Catherine O'Neill Edwards, Justin Cowley and Sarah Wearing.
- ✓ Schools should be alert to unauthorised absence as being a potential indicator of educational or wider neglect. Neglect is the most common reason for a child to be the subject of a Child Protection Plan in the UK.
- ✓ **Working Together 2020** identifies neglect as:
- ✓ 'The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development.'

2.5 Stepped Interventions –

92.6% - 95%	Early Warning	If your child's attendance falls in to this bracket, the class teacher will have a meeting with you by either phone call or face to face to discuss the impact of absence on your child's learning and the reasons for absence, to offer any support and to set targets for your child's attendance to improve. These will be recorded by class teachers on our internal recording system and tagging in our attendance officer.
90% - 92.5%	School Monitoring and Intervention	If your child's attendance falls into this bracket, you will receive a letter of concern from school to advise we are monitoring attendance to seek for improvements to be made and offer support if there is an issue. Please see appendix 9. The Attendance Officer will then be in touch to assess if any further support is needed. School will require medical evidence of illness at this stage e.g. prescription label, text from Doctor with appointment details, appointment card from the walk in centre in order for your child's absence to be marked as an illness.
90% and below (Persistent Absence)	Attendance Service and School Intervention	If your child's attendance falls into this bracket, you will attend a panel meeting with the Head Teacher and/or Attendance Officer. Other persons may also be invited e.g. Local authority attendance officer, school nurse and/or school governors. You may also receive Education Penalty Warning from LA / Penalty notice (fine) This could also lead to prosecution.
<p>We understand that in the Autumn term the percentages may seem higher as there will have been fewer days to the school year. Therefore, Autumn term meetings and contacts will be supportive to highlight the issue and offer any support that may be needed.</p> <p>Unauthorised attendance that falls below 75% are classed as extremely persistently absent and this can be an underlying risk factor and indicative of a safeguarding concern. All of the above should be underpinned by the offer of ongoing support to address identified difficulties. All pupils under 50% are classed as severely persistently absent and must have a plan to support their attendance.</p>		

2.6 Lateness

Regular and punctual attendance at school is a legal requirement. When children arrive late and miss the start of the school day, they can miss work and vital information for the day. Late arriving pupils also disrupt lessons, and this can be embarrassing and upsetting for the child. Lateness can also encourage absence, as some pupils would rather not attend school at all, than arrive late. Please see appendix 13 for leaflet for parents and carers regarding punctuality.

- ✓ Registers are marked at 8:50 a.m. If children arrive in class after this time, they will receive a late mark in the register (code L).
- ✓ In line with recommendations from the Department for Education (DfE), registers will close at 9:30 a.m. If children arrive after this time, they will be recorded as having arrived after closure of registers (code U). This counts as an unauthorised absence for that session.

- ✓ Any pupil arriving late should enter the school through the main entrance and be signed-in at the school office in accordance with school's procedures.
- ✓ Children will enter school through the office and once inside the parent or carer will be asked a reason for their lateness.
- ✓ If a primary school child arrives late and is unaccompanied by a parent or carer, school will make contact to establish the reason for lateness.
- ✓ If lateness becomes a regular occurrence, it will be treated in the same way as unauthorised absence, with parents and carers being contacted and invited into school to discuss the situation.
- ✓ Any child in the school year 4 or below that arrives late to school MUST be accompanied to the school office by a parent or carer to ensure the child's safety until they come through the school door and to also provide a reason to office staff as to why they are late.
- ✓ Children in years 5 and 6 who are accompanied to school by a parent or carer and arrive late should also be accompanied to the school office so that the parent or carer can give the reason for lateness.

2.7 Children with Medical Needs

- ✓ School's Governing Body must ensure that arrangements are in place to support pupils with medical conditions in school. Individual healthcare plans should be in place, and these should provide clarity about what needs to be done, when, and by whom in order to ensure that children with medical needs may access and enjoy the same opportunities at school as any other child (see DfE statutory guidance issued in April 2014: 'Supporting pupils at school with medical conditions').
- ✓ The primary aim of educating children and young people who have medical needs is to minimise, as far as possible, the disruption to their normal schooling by allowing them to continue their education and to progress as much as their medical needs allow. 'Medical needs' encompass both physical health and mental / emotional health issues.

In circumstances where a child has complex health needs and is medically unfit to attend school, referral may be made to The Home Education Service which is a local authority service currently based at Pilgrim Street Arts Centre. Medical referrals to the Home Education Service must come jointly from both school and paediatrician, NHS specialist consultant, CAMHS psychiatrist or senior CAMHS therapist/psychologist.

2.8 Children on Part-Time Timetables

All pupils of compulsory school age are entitled to a full-time education. There may, however, be exceptional circumstances where a part-time timetable is needed as a time-limited intervention to respond to a child's individual needs. This must always be in agreement with the child's parents and carers. Schools are asked to submit information about such arrangements to Wirral Attendance Service using the template included as Appendix 5. Examples of when a part-time timetable may be considered are:

- ✓ Medical issue
- ✓ Emotional/mental health
- ✓ Family issue
- ✓ Re-integration programme following absence
- ✓ SEND - identifies/awaiting specialist placement
- ✓ SEND - unidentified/undiagnosed needs

2.9 Celebrating Good Attendance

It is important that schools recognise and celebrate good and improved attendance. This can be done in a variety of ways. At Mendell Primary we consulted our parents/carers and children as to what ways we could celebrate and encourage good attendance and the following was thought up:

- ✓ Weekly whole school assembly to celebrate class attendance through our “classopoly” display. Classes can move around the board gaining prizes as they go. The higher their attendance the more spaces they can move. Please see appendix 14.
- ✓ Weekly certificates given to individual children on an individual basis. For example, improved attendance or punctuality. Better attitude to or taking more responsibility for own attendance etc. Please see appendix 15.
- ✓ Termly certificates for 100%, 99% and 98% attendance. This re-sets each term, so if a child is absent in the Autumn term for example then they could still achieve 100% in the other 2 terms. Please see appendix 16.
- ✓ Termly certificates for 100% punctuality. This also re-sets each term, so if a child is late in the Autumn term for example then they could still achieve 100% in the other 2 terms. Please see appendix 17.
- ✓ End of year prizes for 100% attendance and/or punctuality for the whole year. These are chosen by the children each year.

Locality Attendance Officers from the Authority's Attendance Service are happy to send positive letters to parents to recognise and reinforce progress made in terms of securing their child's attendance. School can also invite Locality Attendance Officers to be involved in celebration assemblies.

2.10 Expectations of Pupils

Pupils are encouraged to participate fully in the life of the school and to obtain maximum benefit from the range of educational and other opportunities available to them.

Pupils are expected:

- To do all they can to attend school regularly and on time;
- To talk with a trusted adult about any issues that are making it difficult for them to come to school, or that are affecting their wellbeing in school;
- To be aware of their attendance targets, and to work towards achieving them.

2.11 Expectations of the Local Authority and Wirral Attendance Service

The Local Authority is expected:

- To promote regular school attendance of children in schools across the Authority and to work towards breaking the cycle of poor attendance, reduced attainment, and social disadvantage.
- To meet, at least termly, with attendance staff within school
- To help schools in their work to reduce overall and persistent pupil absence. This involves working with school staff, parents and carers, children and various partner agencies to develop and implement practices which can help raise and sustain individual pupils' attendance levels.
- To carry out statutory duties in relation to the enforcement of school attendance.
- To carry out statutory duties in respect of the identification and tracking of children known to be, or at risk of becoming, missing from education (CME).

2.12 Persistent Absenteeism (PA)

Pupils are classified as 'persistently absent' if they miss 10% or more of school due to authorised or/and unauthorised absence and therefore their attendance will be below 90%. This equates to missing at least 19 days of their schooling across the full school year. Absence at this level is of significant concern. Schools will have monitoring systems in place to identify children who are at risk of falling into this category and will involve parents and carers in formulating specific plans to prevent deterioration and to build-back attendance levels.

2.13 Severe Absenteeism

Pupils are classed as 'severely absent' if they miss 50% or more of school due to authorised and/or unauthorised absence. Schools will have monitoring systems in place to identify children who are at risk of falling into this category and will formulate plans in conjunction with parents and carers, and any other relevant professionals to build-back attendance levels.

3. Holidays in Term Time

Changes in Government Regulations mean that, as of 1st September 2013, there is no entitlement for parents to withdraw their children for authorised leave of absence in term time. Head Teachers can only grant leave of absence during term-time if there are '**exceptional circumstances**' surrounding the request, **and** parents have made **an application at least 2 school weeks in advance**. If a Head Teacher is satisfied that there are exceptional circumstances to warrant the granting of leave of absence, the Head Teacher will then determine the number of school days a child can be away from school.

The principles for defining exceptional are: 'rare, significant, unavoidable and short', with 'unavoidable' meaning an event that could not reasonably be scheduled at another time.

Taking leave of absence in term time does affect child's educational progress and parents are strongly discouraged from withdrawing their child from school during term time.

All applications for leave of absence must be made at least 2 school weeks in advance to the Head Teacher. Request forms are available at the school office and Appendix 2 of this policy.

Any period of leave taken without the agreement of the school, or in excess of the agreed number of days, will be classed as unauthorised absence, and may result in a fine and the issue of Education Penalty Notices by the Local Authority (see Appendix 2).

4. The Legal Framework

Parents are responsible for ensuring that their children of compulsory school age receive a suitable, full-time education. This can be by regular attendance at school, at alternative provision, or by elective home education.

The Local Authority has a range of legal powers to promote and enforce regular school attendance:

- Penalty Notices (Section 444A Education Act 1996)
- Prosecution of Parents / Carers in Magistrates' Court (Section 444 (1) / Section 444(1A) Education Act 1996)
- Application to the Family Court for an Education Supervision Order in respect of the child (Children Act 1989)
- School Attendance Order (Section 437 Education Act 1996)
- Parenting Order (Section 8 of the Crime and Disorder Act 1998)

Each case is considered on an individual basis, but the circumstances in which a Penalty Notice for non-attendance may be issued by the Local Authority include:

- Unauthorised absence from school
- Unauthorised leave of absence during term time
- Unwarranted delayed return from authorised leave of absence, e.g. in excess of the agreed number of days
- Persistent late arrival at school after the register has closed.

Head Teachers can submit written requests to the Authority's Attendance Service asking for a formal Warning Letter to be issued to parents in respect of their child's unauthorised absence, and for an Education Penalty Notice to be subsequently served should there be no immediate improvement in the situation.

A minimum evidential requirement of ten (10) school sessions lost to unauthorised absence by any pupil in any one term, or across two consecutive half terms, is required to trigger the Penalty Notice process. A session is a half-day.

Where the Local Authority is of the opinion that a pupil's level of attendance is so low that initiating prosecution proceedings in the Magistrates' Court would be more appropriate, the Authority reserves the right not to issue a penalty notice.

4.1 Education Penalty Notices

The Authority issues Education Penalty Notices by post. Payment of an Education Penalty Notice is £60 if paid within 21 days, rising to £120 if paid after this time but within 28 days. Education Penalty Notices are issued separately to each parent in respect of each child. A possible exception to this would be where parents are separated and one parent has taken a child on unauthorised leave of absence without the knowledge / consent of the other parent.

The Local Authority retains any revenue from the Education Penalty Notices to cover enforcement costs.

Non-payment of an Education Penalty Notice will result in the withdrawal of the Notice, and would normally trigger prosecution proceedings at Magistrates Court under Section 444 Education Act 1996. There is no right of appeal by parents and carers against an Education Penalty Notice.

5. Deletion from Roll

Schools can only lawfully remove a child from their school roll under certain circumstances in accordance with Government Regulations (see Appendix 5). Schools are required to inform the Local Authority of the details of all children who are removed from roll at non-standard transition times. This is to be done by completing a deletion from roll form and submitting it via email or Anycomms to schoolattendance@wirral.gov.uk.

6. Elective Home Education

One of the grounds under which a child can lawfully be removed from a school roll is if a parent notifies the Head Teacher in writing that they are withdrawing their child from school in order to take full responsibility for provision of the child's education. School must notify the Local Authority, as the Authority will then have responsibility for assessing the suitability of education that is being provided for the child. The Authority must first consent to elective home education when a child has special educational needs and is placed in specialist provision.

Schools and the Authority respect that it is a parental right to pursue elective home education. It is, however, important that when parents opt to home educate, this is a positive choice and in the best interests of the child, rather than the option of last resort. Parents should be aware that elective home education is not a route to obtaining a place in a school of their choice which may have previously been declined, or a way of accessing alternative provision.

7. Children Looked After (CLA)

The attendance of children in the care of the Local Authority is monitored by the Head Teacher and Governors of the Virtual School. Use of the B and C codes (Appendix 1) should be agreed with the Head Teacher of the Virtual School. The use of the N registration code for looked after children should be rare, as reasons for any absence should be obtained as a matter of priority. It is essential that contact is made with a child's social worker and the Authority's LACES team as soon as attendance concerns emerge. Attendance staff should routinely inform school's designated teacher for looked after children of their looked after children's attendance rates.

8. Pupils Attending Off-Site Educational Provision

Any pupil who is attending off-site educational provision, whether in Wirral Borough Council or outside of the Local Authority should be marked using registration code D or B by their main school (according to the circumstances of the individual placement).

Code B should be used when pupils are present at off-site educational provision that has been approved by school. School is ultimately responsible for the safeguarding of pupils educated off-site and use of the B code signifies that the education is supervised and measures are in place to ensure the safeguarding and welfare of the pupil.

School must ensure that the B codes reflect the daily attendance of the pupil at the off-site provision. For example, if a pupil misses a day due to illness, then the main school attendance register will show this day as I and not a B.

It is important for agreement and clarity to be reached between school and the off-site provision with respect to arrangements for daily tracking and follow-up of any absence. There should be daily communication between school and the off-site provision in respect of individual pupils' absence.

The law allows for dual registration of pupils at more than one school. The D code is used to signify that the pupil was not expected to attend the session because they were scheduled to attend the other school at which they are registered. Again, an agreement must be in place with respect to who has responsibility for the daily tracking of attendance and absence.

9. Monitoring and review

This policy will be reviewed annually by School and the Local Authority and updated in accordance with any new legislation or guidance, or changes to any other relevant procedures or documents. This policy should also be read in conjunction with the Authority's policies on Enforcement Procedures, Children Missing from Education, and Elective Home Education.

Pupil Registration

Schools must take the attendance register at the start of the first session of each school day, completed by 8:55am, and once during the second session, completed by 1:10pm. On each occasion, it must be recorded whether each pupil is:

- Present
- Attending an approved educational activity
- Absent

School must then follow-up on all pupil absences in order to:

- Ascertain the reason for absence
- Make sure that any safeguarding action is taken if needed
- Identify the correct registration code to insert in the electronic register

Nationally prescribed registration codes should be used consistently by all schools. These codes are used to give depth of meaning to the register and to provide statistical meaning to absences. Codes are all collected by DfE via download to the School Census System.

Code	School Meaning	Statistical Meaning	Note
/	Present (AM)	Present	Pupil must be present on school site during registration
\	Present (PM)	Present	
B	Off-site educational activity	Present: Approved Educational Activity	Used for a supervised educational activity that has been agreed by the school. School is ultimately responsible for the safeguarding and welfare of pupils educated off-site (not to be used where a pupil is at home completing schoolwork).
C	Leave of absence authorised by the school	Authorised absence	Exceptional individual circumstances
D	Dual Registered – at another educational establishment	Neither absent nor present for statistical purposes	Pupil scheduled to attend at the other school at which they are registered
E	Excluded but no alternative provision made	Authorised absence	Alternative provision must be in place from the sixth day of any fixed period or permanent exclusion. <i>This must begin no later than the 6th school day of the exclusion. Where a child receives consecutive fixed-period exclusions, these are regarded as a cumulative period of exclusion. This means if a child has more than 5 consecutive school days of exclusion, then education must be arranged for the 6th school day of exclusion, regardless if this is as a result of one fixed-period or more than one fixed-period exclusion.</i>

Code	School Meaning	Statistical Meaning	Note
G	Holiday not authorised by the school or in excess of the period determined by the head teacher	Unauthorised Absence	Retrospective approval cannot be given
H	Holiday authorised by the school	Authorised absence	Exceptional individual circumstances. Application made 2 weeks in advance.
I	Illness (not medical or dental appointments)	Authorised absence	Parents and carers should notify school on the first day of absence. School can ask parents to provide medical evidence (e.g. prescription, appointment card)
J	At an interview at another educational establishment or employer	Present	Interview (to transfer to another educational establishment, for example)
L	Late arrival before closure of register	Present	Between 8:50am – 9:30am
M	Medical or dental appointments	Authorised absence	Proof of appointment will be requested.
N	Reason for absence not yet provided	Unauthorised absence	Amend once the reason is known. If no reason is provided after two weeks, N should be replaced with code O
O	Absent from school without authorisation	Unauthorised absence	Unacceptable, or no, reason provided to account for absence
P	Participating in a supervised sporting activity	Present	Approved by the school and supervised by someone authorised by the school
R	Religious observance	Authorised absence	The day must be exclusively set aside for religious observance by the religious body to which the parents belong. May need to seek confirmation from the religious body
S	Study Leave	Authorised absence	Should be used only sparingly for Year 11 pupils during public exam periods
T	Gypsy, Roma, Traveller absence	Authorised absence	Family travelling for economic / occupational purposes (and child not dual registered with a school in a different geographical area)
U	Late arrival after closure of register	Unauthorised absence	Attendance after 9:30am
V	Educational visit or trip	Present	Trips or visits, including residential trips, organised by school or by an organisation approved by school
W	Work experience	Present	Attendance should be tracked and any absence from the work experience placement should be recorded in the register using the appropriate code

Code	School Meaning	Statistical Meaning	Note
X	Not required to be in school (N.B. See covid addendum for wider use of X code)	Attendance not required	When non-compulsory school age children are not expected to attend. If a child is expected to attend full time whilst still not of compulsory school age, this code should not be used. Use of this code can potentially hide other safeguarding concerns.
Y	Unable to attend due to exceptional circumstances	Attendance not required	School site is closed partially or fully due to an unavoidable cause/ transport provided by the school or LA is not available / time of local or national emergency resulting in widespread disruption to travel
Z	Pupil not on admission register	Attendance not required	Register set up in advance of pupils joining the school. Schools must put pupils on the admissions register from the first day that the school has agreed, or been notified, that the pupil will attend.
#	Planned whole or partial school closure	Attendance not required	Holiday periods (including bank holidays), INSET days, and use of school as a polling station. This code should also be used to record different term dates that have been agreed for different year groups (e.g. staggered starts for secondary school year groups in the Autumn Term).

Appendix 2

Leave of Absence during Term Time

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 state that leave of absence shall not be granted unless:

- an application has been made in advance to the Head Teacher by a parent with whom the pupil normally resides; **and**
- the Head Teacher, or a person authorised by the Head Teacher, considers that leave of absence should be granted due to the **exceptional circumstances** relating to the application.

This policy clarifies:

- there is no entitlement in law for parents to take their child on authorised leave of absence during term-time without obtaining prior approval from the school;
- the procedures to be followed whereby parents and carers can make applications for their child to be granted discretionary leave of absence during term-time;
- that each application will be considered by Head Teachers according to the individual circumstances surrounding the request. Head Teachers determine the number of days, if any, a child can be away from school.

Examples of exceptional circumstances which may justify approval include:

- parents / carers who are unable to take leave at certain times of the year (and can evidence that this is the case) e.g. emergency services personnel. *However, please remember the definition of exceptional is 'rare, significant, unavoidable and short'. Therefore, annual holiday requests will not be classed as exceptional as if they happen annually they are by definition, not rare.*
- the death of an immediate family member, e.g. parent, sibling or grandparent;
- Religious festivals
- the wedding of an immediate family member, e.g. parent, sibling, grandparent or auntie/uncle.

Education Penalty Notices for Unauthorised Leave of Absence during Term Time

Head Teachers should write to the parents and carers to confirm whether or not their request for leave of absence has been approved. In cases where a request for leave has not been approved, parents should be informed that they face the possibility of being issued with penalty notices for failing to ensure their child's regular attendance at school should they go ahead with their plans.

However, it may not always be possible to issue warning letters in advance of leave of absence in instances where leave of absence is either not requested by parents, or requested with insufficient notice for a warning letter to be sent.

In the case of a pupil granted leave of absence but that pupil then fails to return to school within 5 school days (10 sessions) of the agreed return date, a request to issue penalty notices to the parents can be made to Wirral Attendance Service (unless the school is satisfied that the pupil is unable to attend by reason of sickness or other unavoidable cause).

Parents should also be advised that if their child fails to return to school within 10 school days of the given return date and joint enquiries made by school and the authority have failed to locate the child's

whereabouts, they run the risk of their child's name being removed from the school roll, with no guarantee of re-admission. Prior to removal of a pupil's name from the school's admissions register, school should discuss the pupil's individual circumstances with their named Locality Attendance Officer and/or the CME Officer at Wirral Attendance Service. School and the Local Authority are jointly responsible for making all reasonable enquiries to locate a missing pupil prior to removal from role.

Application for Leave During Term Time

Parents and carers must ask permission for their child to be absent during term time, and it is at the Head Teacher's discretion to decide whether or not the absence will be authorised. The Head Teacher may authorise leave during term time for *exceptional circumstances only*. If leave is taken without permission, or no application is made, parents and carers risk being issued with an Education Penalty Notice.

Parents and carers wishing to apply for their child to have leave of absence from school should complete this form and return it to school for authorisation at least two weeks before the proposed leave.

Guidance for Schools on the use of reduced timetables

1. Purpose

This guidance is intended to safeguard both pupil and school, should a reduced timetable be required. It is intended to establish agreed approaches for all maintained Wirral Schools, Academy Schools, Free Schools and alternative provision settings, in the appropriate use of reduced timetables (sometimes referred to as 'part-time' timetables).

2. Introduction

The Local Authority has a statutory responsibility to identify and track any pupil missing from education. Any pupil on a reduced timetable is potentially at risk of missing education and therefore falls within this remit.

All children, regardless of their circumstances, are entitled to a full-time education which is suitable to their age, ability, aptitude and any special educational needs they may have. Local authorities have a duty to establish, as far as it is possible to do so, the identity of children of compulsory school age who are missing education in their area.

A child going missing from education is a potential indicator of abuse or neglect. School and college staff should follow the school's or college's procedures for dealing with children that go missing from education, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future.

Schools should put in place appropriate safeguarding policies, procedures and responses for children who go missing from education, particularly on repeat occasions. It is essential that all staff are alert to signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns such as travelling to conflict zones, FGM and forced marriage.

The new Local Authority inspection framework now includes the need for each authority to report robustly on school age children who are not in full-time education. This establishes the need for Wirral Council to have guidance in place for all pupils on reduced timetables. It is important to highlight that there is no statutory basis upon which to establish a reduced timetable, however, in exceptional circumstances, schools may need to implement part-time arrangements in order to support a pupil who cannot attend school full-time for an agreed and time-limited period.

Wirral Council remains committed to supporting all children's entitlement to a full-time education, and makes clear the requirement that a reduced timetable cannot be implemented without written agreement from parent / carer and agreement from the EHCP Coordinator at Wirral Council where appropriate. Where a part-time timetable is in place, this should always be in the best interests of the child.

Schools have a safeguarding responsibility for all pupils on their roll and therefore must be aware that even with parental agreement to any arrangement they make, they are responsible for the safeguarding and welfare of pupils attending any off-site provision during school hours.

3. Full-time Education

- All education should be suitable to a child's age, ability and aptitude, taking into account any special educational needs.
- There is an assumption that pupils should receive full-time education consistent with their Key Stage. Schools have a statutory duty to provide full time education for all pupils. It is illegal for schools to discriminate against pupils on the basis of their special educational needs and/or disability.
- A timetable is considered reduced when it consists of something less than that which is provided to the majority of the pupil's peers in that setting.
- There is no statutory definition of 'full time' education, but guidance suggests the following periods as full time:

Age	Hours
5–7	21
8–11	23.5
12–14	24
14–16	25

4. When might a reduced timetable be used?

- **As part of an in-school support package:** The school, parent/carer and other professionals agree that a short-term (ideally no longer than 6 weeks) reduced timetable would support a pupil who has become disaffected, to regain success. This would be a closely monitored intervention to address and manage the impact of significantly challenging behaviour, emotional, or social needs.
- **Medical reasons:** A pupil has a serious medical condition where recovery is the priority outcome. These arrangements would be part of a "medical plan" agreed between the school and health professionals. Please see Supporting Pupils at School with medical conditions before offering a reduced timetable for this reason. <https://www.gov.uk/government/publications/supporting-pupils-at-school-with-medical-conditions--3>
- **Reintegration:** As part of a planned reintegration into school following an extended period out of school following non-attendance, school refusal, etc. (ideally no longer than 6 weeks).

5. Good Practice

In circumstances where the school consider that it may be necessary to establish a reduced timetable for a pupil, the school should:

- Notify the Attendance Service of its intention to implement a reduced timetable for a pupil. The appropriate form needs to be completed and submitted via schoolattendance@wirral.gov.uk.
- Convene a meeting to discuss the proposals for a reduced timetable. This must include parent / carer. This will also include Wirral Council where the pupil is a looked after child (a member of Virtual School), has an allocated social worker, or has a statement of SEN / Education Health and Care Plan (the EHCP Coordinator), and may include Early Help professionals who form part of any Team Around the Family.

- Establish a plan, for example a Pastoral Support Plan, Individual Learning Plan, Personal Education Plan etc., which will contain details of the proposed timetable to get the child back into full-time education.
- Review the schedule of supportive interventions that will accompany this reduction in time at school.
- Develop outcome and exit strategies that will identify to all stakeholders when the intervention has been successful
- Confirm and communicate the named person responsible for the plan within the school.
- Consider safeguarding measures for the duration of the reduced timetable. The school must carry out a risk assessment before implementation and the details recorded.
- Ensure that the parent / carer agrees the plan and teaching hours. A reduction in hours should not be implemented without parental / carer agreement.
- Consider completing an Early Help Assessment Tool to establish if there are wider needs requiring support from other partner agencies.
- Monitor the overall use of this strategy within school and report outcomes to governors each term.
- Ensure effective communication with parents / carers and Wirral Council with regard to progress towards full-time reintegration to school.

6. **Monitoring and Review**

The school must:

- Report the reduced timetable on the appropriate form to the Attendance Service as soon as it becomes operational by sending a signed copy of the completed and signed part-time timetable agreement form.
- Send a copy of subsequent reviews and any extension plans.
- Record the child's attendance accurately on the attendance register.
- Use the C Code when a pupil has a reduced timetable including sessions which have been mutually agreed not to involve attendance at school or at an alternative provision. The school must be satisfied that appropriate arrangements are in place for the care and welfare of the pupil during the time when they would otherwise be at school.
- Use the B Code if the pupil is receiving off-site provision, which is approved and monitored on a daily basis by school. This code should not be used for any unsupervised educational activity or where the pupil is at home doing school work.
- Use the D Code where a pupil is registered at two schools. The D code only applies where a pupil is attending a school other than their home school and where that school is coding the pupil's daily attendance and absence.
- Monitor the overall use of this strategy within school and report back to governors termly.
- Ensure effective communication with parents / carer and Wirral Council with regard to progress towards full-time reintegration to school.
- **For Census purposes record these pupils as full-time pupils.**

7. **Wirral Council Responsibilities**

- Request copies of the agreed plans in relation to part time education.
- Ensure that reduced timetables are appropriately recorded.
- Ensure that copies of part time education plans are shared with Children's Social Care where pupils are subject to Child Protection or Child in Need plans.
- Ensure a copy of the plan is provided to the Virtual School when a pupil is Looked After.
- Discuss any cases with schools when a pupil has been on a reduced timetable for longer than 6 weeks, or longer than the specified period in the original plan

The effective sharing of information between schools and local authorities is crucial to ensuring that all children & young people of statutory school age are safeguarded and receiving a suitable education. Under the amended 2016 Regulations, all schools (including Academies, Free and Independent Schools) are required to inform the LA as soon as possible when they are about to delete a pupil's name from the admission register.

Wirral Authority's Vulnerable Children's Panel (VCP)

The Vulnerable Children's Panel (VCP) started during national lockdown (Spring 2020) to help schools and services come together to tackle attendance issues of some of our most vulnerable children, and to find ways of working together to ensure that we could at least establish that they were safe, even if not attending.

The panel has now become a permanent aspect of our work, as the multi-agency working has proved to be so helpful.

From November 2021, the work of the VCP will prioritise an especially vulnerable group: children and young people experiencing domestic abuse in their homes or known to have experienced domestic abuse in the past. These children have been identified as having a higher rate of absence than any other vulnerable group. However, we want to ensure there are appropriate routes to follow up on serious attendance issues for **all children** that schools are concerned about.

Cycle of Meetings: Weekly (Thursday p.m.)

Purpose: To discuss and review individual children who are considered vulnerable and who are not attending school regularly. Typically, these are the children within families who are not open to Authority or partner services, and where all school-level strategies have been exhausted.

Attendees at the meeting will look at how best children and young people can be supported, including how they can be supported back to school.

Referrals:

Schools should work with their Locality Attendance Officer (LAO) to review their cases in the usual way. When a case has exhausted all school level strategies and further advice and support is needed, schools should complete the VCP Referral Form and forward to their designated LAO (copying in schoolattendance@wirral.gov.uk). The LAO will then forward the referral for inclusion at the next VCP meeting and, if appropriate, schools will be invited to join discussions at panel.

It is important that schools inform parents in advance that they are referring their child to the VCP in order to seek any other support that may be available to the child/family to improve attendance at school. Reference should be made to the VCP in correspondence and communications with parents, so that they are aware that school will seek advice from the VCP should attendance concerns be ongoing.

N.B. Children who are already open to Children's Social Care should not be referred to panel. Discussion should be held with the child's social worker to ensure that multi-agency strategies to improve attendance are incorporated within the CIN/CP/CLA Plan and are part of the discussion at regular core group meetings.

Appendix 8**Mendell letter 1 – Persistent Absence**

Dear Parent / Carer,

During a recent meeting we analysed attendance data across the school and have identified that your child's attendance is currently lower than average. Although we appreciate that children do become poorly on occasion I wanted to bring to your attention the impact that this has had on their possible overall attendance which is currently at **XXXX%**.

A pupil with attendance below 90% is classed as 'persistently absent' by the Department for Education and this can prevent your child making appropriate progress in terms of their learning and/or social skills. Nationally, a good level of attendance would be 95%. Here at Mendell we have a school target of 100%.

I have enclosed **XXXXX's** attendance record with this sheet so that you are aware of the amount of absences since September. If your child's attendance does not improve you are liable to prosecution from the Local Authority, but it is our aim to support you and your family to see that attendance is improved so this does not happen.

In addition to, or instead of, the above enforcement options, we want to ensure that we have explored all avenues of possible support, school may seek advice from the Vulnerable Children's meeting, a multi-disciplinary panel who meet regularly to discuss such cases. The panel includes health, social care and education colleagues so that we can look at any additional support that may benefit the family and enable your child to attend school on a more regular basis. You may receive a phone call from a health professional prior to your child being discussed at this meeting.

You may also wish to access further support for yourself via <https://familytoolbox.co.uk/> or your child may find some support for themselves via <https://www.zillowirral.co.uk>

We look forward to working with you and will review their attendance percentage again in January. If no improvement has been made, we will then be in contact with you to arrange a panel meeting with the local authority and school attendance officer to look at ways it can be improved.

Please do not hesitate to contact school should you need any support in this matter.

Many thanks in anticipation of your support.

Appendix 9**Mendell letter 2 – Panel Meeting****Attendance Panel Meeting**

Dear Parent / Carer,

I am writing to express concern over XXXX's attendance which has now fallen to XXX% and is significantly lower than average. We have enclosed your child's attendance record with this sheet so that you are aware of the amount of absences she has had since September.

We note that since your first letter, informing you of your child's attendance there has been no improvement made and would like to invite you to attend an attendance panel meeting to discuss how we can improve the situation. The meeting will be with XXXXXX and together we will identify the concerns and draw up a brief action plan. This will include a target for attendance and a review date.

Please note that parents who refuse to cooperate with attendance panel meetings may be referred to the Attendance Service who may issue an Education Penalty Notice of £60 if paid within 21 days or £120 if paid within 28 days. Parents who do not pay the Education Penalty Notice may be prosecuted under the Education Act 1996, Section 444.

In addition to, or instead of, the above enforcement options, we want to ensure that we have explored all avenues of possible support, school may seek advice from the Vulnerable Children's meeting, a multi-disciplinary panel who meet regularly to discuss such cases. The panel includes health, social care and education colleagues so that we can look at any additional support that may benefit the family and enable your child to attend school on a more regular basis. You may also wish to access further support for yourself via <https://familytoolbox.co.uk/> or your child may find some support for themselves via <https://www.zillowirral.co.uk>

We are keen to help you ensure your child attends school as regularly as possible and makes good progress in school.

We would like to invite you in on TIME AND DATE. *If you are unable to attend for any reason please telephone the school office on 0151 334 1432 to re-arrange the meeting.*

Many thanks in anticipation of your support.

Mendell letter 3 – Panel Meeting Review

Attendance Panel Meeting Review

Dear Miss Weston,

Further to our Attendance Panel Meeting on **08.02.2022** I am writing to arrange a further meeting to review progress as we discussed. The meeting will be with Miss Jones, Attendance Officer. At the meeting we will also review the brief Action Plan we agreed.

Please note that parents who refuse to cooperate with attendance panel meetings may be referred to the Attendance Service who may issue an Education Penalty Notice of £60 if paid within 21 days or £120 if paid within 28 days. Parents who do not pay the Education Penalty Notice may be prosecuted under the Education Act 1996, Section 444.

Mendell letter 4 – Attendance Improvement

Attendance Improvement

Dear Parent / Carer,

During a previous school meeting we analysed attendance data across the school and identified that your child's attendance was lower than average.

We would like to acknowledge the improvements made and thank you for this. XXXXX's attendance is now at XXX%.

Nationally, a good level of attendance would be 95%. Here at Mendell we have a school target of 100%. However, 90% attendance or below is considered to be persistently absent and can prevent your child making appropriate progress in terms of their learning and/or social skills.

Whilst we note the improvement in XXXXX's attendance and are pleased with this, it needs to be maintained and improved further to the Mendell threshold in order for her to be achieving a good level of attendance.

In addition to, or instead of, any enforcement options, we want to ensure that we have explored all avenues of possible support, school may seek advice from the Vulnerable Children's meeting, a multi-disciplinary panel who meet regularly to discuss such cases. The panel includes health, social care and education colleagues so that we can look at any additional support that may benefit the family and enable your child to attend school on a more regular basis. You may receive a phone call from a health professional prior to your child being discussed at this meeting.

We have enclosed your child's attendance record with this sheet so that you are aware of the amount of absences your child has had since September.

Many thanks for your support with this matter.

Holidays in term time

Requests for permission to take your child on holiday during term time must be made in writing at least 2 weeks before the date. Head Teachers are only able to authorise holidays in term time under 'exceptional circumstances'.

Parents who take their child(ren) out of school to go on holiday which is unauthorised may be issued with a Fixed Penalty Notice (fine) by the local authority.

Lateness

School gates open at 8:40am everyday and close at 8:55am. Any children who arrive after this time will be given a late mark on the register [L]. Children who arrive after 9:30am receive a [U] code which is an unauthorised absence for the whole morning session.

Children who arrive late are often more embarrassed walking into class and may not be in the best frame of mind to begin learning. They may also miss out on important information from the beginning of their lesson.

Absences

Parents/Carers should inform the school office each morning their child is absent. If a child is absent and no reason has been received from the parents/carers the absence will be recorded as unauthorised.

Medical Absences

We ask for all medical appointments to be made outside of school hours where possible. If this cannot be done then we ask for you to bring in proof of the appointment which could be a letter, text or appointment slip. This will go down as an 'M' on the register. This still affects your child's overall attendance however it allows us to see the reason for the absence. If your child is present for registration at 8:55am and 1:15pm, they will be recorded as present then signed out from the office for their medical appointment.

Attendance

Mendell Primary School

This booklet looks at good attendance and why it is so important for your child to be attending school regularly.

What is good attendance?

At Mendell Primary we put great emphasis on good attendance and punctuality. Good school attendance is essential for good progress and achievement. We all want the children to achieve their full potential and they cannot do this if they are not in school every day. They should only be absent from school when it is absolutely necessary.

Rewards

At Mendell we believe in involving the children with our decision making regarding attendance and rewards. We have a school attendance council with 1 pupil from every class who we meet regularly to discuss attendance and the rewards we have. Our current Classopoly was designed by the children with all prizes chosen by them and the rest of the children in their classes. Every class's weekly attendance feeds into our weekly Monday morning assembly.

We also have rewards for the whole school year based on attendance from 97% upwards that are again, chosen by the children.

Persistent Absence

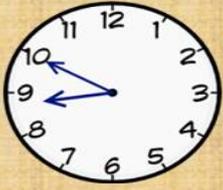

Pupils are classed as 'persistently absent' if they miss 10% or more of school due to absence (whether authorised or not). While we are aware children get ill from time to time, we expect parents and carers to be bringing children back in as soon as they are well enough. For example: if they have been prescribed antibiotics, usually around 48 hours after they have started medication, the child would be perking up and be well enough to attend school. Medicines can be signed into the school office to be administered by staff when required.

Calpol/Paracetamol can also be brought in (in a new, sealed bottle) and signed for, for any children who may be under the weather and medicine would help them feel well enough to stay in school.

1 or 2 days a week doesn't seem much, however ...

If your child misses ...	That equals ...	Which is ...	And over 13 years of schooling that's ...	Which means the best your child might perform is ...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1.5 years	Equal to finishing in grade 11
1 day per week	40 days per year	8 weeks per year	Over 2.5 years	Equal to finishing in grade 10
2 days per week	80 days per year	16 weeks per year	Over 5 years	Equal to finishing in grade 7
3 days per week	120 days per year	24 weeks per year	Nearly 8 years	Equal to finishing at grade 4

Punctuality leaflet for parents/carers

Anyone can be late—sometimes!

There are always:

- Alarms that don't go off!
- The worst traffic jam ever!
- The breakfast spilled over school clothes just as you were about to leave!

These things are nobody's fault and can happen to anyone.

However, persistent lateness can impact your child.

Discussing lateness further:

If you are having trouble with being on time every day for school and would like to discuss this further then please get in touch with your child's class teacher or by calling into the school office to discuss it with the Attendance Officer, Miss Jones.

Together we can hopefully come up with a plan to support you and your child in getting to school on time and improving their punctuality.

Punctuality

Mendell Primary School

This booklet looks at punctuality. The importance of being on time and the affects it can have when you are regularly late.

Did you know ...

Being 20 minutes late for school every day, for the school year, is the same as missing **3 whole weeks** of school!

Effects of lateness:

- There are NO positives to being late
- It can be embarrassing and stressful for your child walking into class late
- Your child will miss vital information from the beginning of lessons
- Your child may suffer because they don't know what they are doing in class
- It stops your child socialising with friends when they first arrive at school
- Your child may be out of breath/tired when they arrive — affecting their concentration when they first come in

School gates open at **8:40am** and close at **8:50am**. All children should arrive at school between these times and enter via the green gates onto the playground.

Any child arriving late to school must enter through the school office and will receive a late mark ('L' on the register). Arriving 30 minutes after the register has closed will receive a 'U' mark. If your child is persistently late then you may receive a fixed penalty notice (fine) from the local authority.

Monitoring punctuality:

To monitor and improve punctuality here at Mendell we actively monitor punctuality and liaise with parents and carers to find out reasons for lateness and ways we can support families to help us tackle this problem.

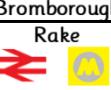

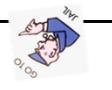

All children who arrive late to school (after 8:50am when the gates have closed) **MUST** be brought to the school office by a parent or carer. The child/ren will then be marked in the register and sent down to their class. Parents and carers must then inform us why they were late and let us know if we can do to help. This is to help us monitor the reasons for poor punctuality.

Ways to avoid being late:

- Talk to your child/ren about the importance of being on time
- Set your alarm 15 minutes earlier to give you extra time in the mornings
- Make sure all bags are packed/uniform is ready the night before. This will save time looking for it in the morning
- See that you leave home early enough to account for traffic jams/queues. This way your child can arrive at school with plenty of time to see your friends, chat and take part in lessons from the very beginning

98 – 99%: Move forward 1,2,3 or 4 spaces (your choice) and claim the prize!

97-98%: Move forward 3 spaces and claim the prize!

95 – 96%: Move forward 1 space and claim the prize!!

94 – 95%: stay where you are!

Below 94%: Move backwards 1 space and do not claim the prize

Every time you get past GO you have non-uniform day, get past twice and it's a pizza party for your class, 3 times and it's a movie night after school.

If you get sent to jail you must pick a 'reward' from the jail box! You move again as normal for your next go.
