

## Mendell Primary School Aspire Challenge Achieve Key Sticky Knowledge Memory Flash Point Tracker: History

Key Knowledge	MFP date								
F1 Kings, Queens, Princes, Princesses are royalty, they are real									
Objects and pictures give information about the past									
F2 Stories and books give information about the past									
I correctly use yesterday, last week, before, then									
Y1 I know that there are 7 days in a week, 12 months in a year.									
I know that timelines are used to sequence events, people or objects									
in chronological order									
I know when my school was built and can give some examples of how									
it has changed over time									
I know that changes over time are reflected in society and can give									
examples of changes that have occurred in toys and homes since									
1950s									
I know when the Great fire of London, why it occurred and can explain									
the impact it had on a local and national level									
Y2 I know a year is 365 days and a leap year 366 days									
I know a decade is 10 years and a century is 100 years									
I know that individuals can be significant and can have an impact on									
a local, national and international scale									
I know key facts about Lord Leverhulme and his significance at a local,									
national and international level									
I know what some of the innovations in flight were and can explain									
how they had an impact at an international level									
Y3 I know what AD, CE, BC, BCE, millennia, era mean									
I know that timelines can overlap and show different periods of time									
from a few years to millions of years.									
I know what some of the advancements were in the Stone, Bronze and									
Iron Ages and why they were significant to the development of Britain									
e.g. the development of hand held tools, changes in settlement									
patterns									
I know when, how and why the Romans invaded and conquered									
Britain									
I know why the Roman's chose Chester as a key city and explain how									
they changed the city over time									
Y4 I know when, how and why the Anglo-Saxons and the Vikings									
invaded and conquered Britain									

		1	1	
I know what some of the impacts of the Anglo-Saxon and Viking				
legacy were in Britain e.g. English language, rule of law, Christianity,				
The Kingdom of England etc				
I know that there are links between natural resources and the				
development of some of the earliest civilisations				
I know some of the achievements of the earliest civilizations				
Y5 I know when the Ancient Egyptian, Ancient Greek and Early Islamic				
Civilization at Baghdad existed				
I know what some of the significant achievements of the Ancient				
Egyptians were				
I know about the effects and the influence of some Greek achievements				
on the Western world e.g. democracy, philosophy, medicine, language				
etc.				
I know about the some of achievements of the early Islamic civilization				
at Baghdad				
Y6 I know when and why WW2 occured				
I know about some of the impacts of WW2 on our locality e.g. why				
Liverpool was targeted, how the Blitz changed the landscape of				
Liverpool, how evacuation affect the children of Liverpool, how our				
local heroes are commemorated				
I know some of the impacts of migration on Britain and can give				
examples of how migration has changed Britain over time
