Aspire Challenge Achieve

Mendell Primary School Single Equality Statement and Policy February 2020. Equality Statement Mendell Primary School is committed to equality.

In this respect:

• We aim to celebrate the differences in our community and ensure that our children have a RESPECT for the different local, national and global communities.

- We ensure that everyone in school is treated fairly and with respect.
- We recognise that people have different needs and that treating people equally does not always involve treating everyone in exactly the same way.
- We ensure that school is a safe place for everyone.
- We consult with people from different groups and involve them in our decision making.
- We recognise that extra support is needed for some pupils to help them achieve their full potential and be successful.

Legislative Framework We are aware of the current legislative framework. We welcome our duty under the Education and Inspection Act 2006 to promote Community Cohesion. The School is bound by the Public Sector Equality Duty (PSED) of the Equality Act 2010 and the Specific Duty and regulations 2011.

The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

□ Eliminate discrimination;

□ Advance equality of opportunity;

Foster good relations.

To comply with this Duty:

• We maintain and publish quantitative and qualitative information showing our compliance with the PSED set out in Clause 149 of the Equality Act, to explain how we have due regard for equality.

• We formulate and publish specific and measurable objectives, based on our collected and published evidence, which demonstrate how we plan to tackle inequalities and reduce or remove them.

• We monitor our equality objectives regularly and report on progress towards achieving them.

We aim to make sure that no-one experiences less favourable treatment or discrimination because of:

- age
- disability
- ethnicity
- colour or national origin
- gender, gender identity or reassignment
- marital or civil partnership status
- being pregnant or having recently had a baby
- religious beliefs
- sexual identity and orientation.

The Act does not cover socio-economic circumstances as a protected characteristic. However, in our school, socio economic circumstances are taken into consideration. We acknowledge the 'intersectionality' (Richardson 2013) of economic circumstances and that pupils may have a range of additional characteristics (protected characteristics) which intersect and must be taken into account when measuring the impact of the Pupil Premium Grant. Mendell Primary recognises that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child (UNCRC), The UN Convention on the Rights of People with Disabilities and the Human Rights Act 1998. We welcome the general principles of UNCRC and have regard, in particular, for the needs of children and young people who are disadvantaged and vulnerable and their parents and carers.

2. The Policy

The School's Equality Information and Objectives Policy draws together all previous equality legislation and details how we are fulfilling the requirements of the Act.

3. Our Ethos

Mendell is a place where:

- Children feel safe;
- Learning is fun;

- Aspirations are high;
- Children are prepared for their future;
- All children and families are welcome;
- All efforts are acknowledged and celebrated;
- Everyone is valued and respected as an individual;
- We will educate our children about equality and diversity and where we pledge to meet the needs of all our individuals;
- Everyone is encouraged to be part of and contribute to the community; and
- We will encourage everyone to make healthy life choices.

4. Addressing Prejudice Related Incidents

Mendell Primary is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to our governing body and also notify the Local Authority.

- improving the physical environment of schools to enable disabled pupils to take better

advantage of education, benefits, facilities and services provided; and

- improving the availability of accessible information to disabled pupils.
